“ I just found this link from Maidee's obituary and was glad I would be able to say something. I was very sad to hear of her passing but am comforted by the loving family I had the pleasure of seeing on several occasions. I will always be reminded of Maidee when I see miniature decks of playing cards and strawberry ice cream. :) She was an amazing and sweet woman and I am so happy I was able to get to know her. My condolences to John and Caroline and the rest of Maidee's family.
