“ Hello to the Nat and Margie Hill family,
Here are my sympathies to you all. Your mother was such a "lady",
"classy", "persistent", funny, loving to my grandmother Bernice
Hughes, open with my parents and me and my 2 brothers. I just
loved your mother's laugh, and would always love being around
both of them, as they were the first HUGE IU fans we knew.
Thanks again for the special horse racing, IU, and Republican
memories.
Again, my deepest sympathies, what a lady!

“ I'm remembering private duty for Judge Hill in a VIP room; I
remember his TV having horses on it for his enjoyment. I still have
the notes from Margie expressing her appreciation for my nursing
care of Judge Hill in her absence. I also met Nat Hill at Clear Creek
Christian Church when I attended there. I valued Margie's friendship
and acts of kindness.

“ Hi....I was so sorry to learn of your mother's passing. She and my mother -- Betty Poolitsan Watson -- were the best of friends for so many years that I was able to see your Mom and Dad and then your Mom and Doc on a fairly regular basis during my visits to Bloomington.

Our Moms were always so fun loving and upbeat. They both appreciated a good joke and a hearty giggle -- their zest for life was so contagious. I miss my mother so much, but I know they are both up in heaven now -- together again -- entertaining everyone!

Even though I know your mother was lost to you sometime ago, our thoughts and prayers are with you as you navigate through this difficult time.

“ My parent's, Dr. and Mrs. Neal E. Baxter were very good friends with your mother and father.

Your dad had a hunting trip scheduled for the day of our wedding and my father told your dad that he was 'going to marry his daughter instead!'

Your dad told my dad that his weddings always stuck and we'll be married 32 years this November 26th! (1977)
I gather he was correct as most Judges are.....

I have fond memories of your parents and this marriage sure has stood the test of time!

Our condolences go to the family at this sad time.
