“ Hi Steve - I met Peg & Ivan 20 years ago. We worked out at Ceraland. She hit it hard, didn't she! My boy was having a rough time in high school. She hired him to paint her fence. I don't think he did particularly well but she sure was nice about it. He's about to get his PhD. It's a celebration of life when an older person passes!

“ Dear Steve, Robin and family! Our family has such fond memories of your mom at Newbern UMC! Peg would send special notes of encouragement to our children after they did a special! Ivan was amazing as well, but when he began failing health, she was amazing with him, making sure they both came to church as much as possible! She came as long as she could to the Outreach as well! She was so caring! I will remember her smile and her laugh! She loved you all so much! Cherish the wonderful memories!
