“ I volunteered with Margaret at the Soup Kitchen in Greenfield. She amazed with her energy and tenacity not only there but at the Food Pantry and a sewing group that made clothes. (and it sounds like baking rum cake was a specialty.) All that worked with her there hoped we'll have her energy when we were her age. She was not fond of peeling hard boiled eggs (none of us are) and I think of her now when those are on the menu. I will miss her. My sympathy to Paul and his family at this time of grief.
