

## Margit Carol Ruppe

January 4, 1954 - July 14, 2024

It is with deep sadness we announce the passing of our sister Margit Carol Ruppe "Carol". Born to LTC, Jake and Margit Ruppe on January 4, 1954, in Nurnberg, Germany, Carol passed away on July 14, 2024, at her home in Bloomington Indiana.

As part of a Military family, Carol spent her early years at military locations across the United States and Europe and as an adult she lived in both Southern California and Bloomington, Indiana. In 2006, Carol received a Bachelor of Science degree in Applied Health Science from Indiana University and in 2013, a Master's Degree in Healthcare Administration from Walden University. Notable in her career was her work as the Laser Resource Manager and Clinical Coordinator of the Laser Research and Technology Development Department at Cedars-Sinai Medical Center, and Vivarium Manager at Indiana University Bloomington.

Carol was an avid reader always interested in learning and creating new things. She enjoyed cooking and entertaining, especially planning and hosting formal teas with family and friends. She loved to decorate for the Holidays spending hours perfecting her creations. Above all Carol gave generously of her time and self to her family and friends. Her return to Bloomington became a godsend to the family. When our father then mother became ill Carol was their caregiver, spending years attending to their health and care with love

until their passing. For this we will be forever thankful. [1] [SEP]

Carol will be greatly missed by all who loved and knew her. Survivors include her sisters, Lily Ruppe (Greg Fields), Linda Ruppe (Judd Wunsch), Teresa Ruppe (Douglas Coffman), and her aunt, Elizabeth Colman. She was preceded in death by her parents.
