“ Ellen,

I can't find your telephone number or address, but I wanted you to know how sad I am for you to go through this life experience. It's something we all have to do, but that doesn't make it any easier.

When I think about your Mom I think of a pioneer. I may be wrong, but for families like yours and mine to pull up roots and relocate hundreds of miles away from families and what were use to is rather daunting. We have our parents to be thankful for bringing us (some kicking and screaming) to Bloomington. Because of what they did, I went through high school with 3 of the best people I ever knew.

I don't drive anymore and rarely go into the Steakhouse. I do think of you and Marilyn and Susie often.

Thank you Janet! Mom had a very peaceful end in the care of wonderful people. We had a funeral meal at the steakhouse yesterday. It sounds like your health has taken a turn for the worse. I will try to call you on the number in my contacts as soon as possible. Take care my Otis refugee friend❤️
