“ One of the many stories I used to hear from Mom and Dad was how everyone would tell me how pretty I was and that I looked like my Aunt Marie! So they would find me in front of the mirror saying "Me pretty, me look like Ri".

“ Dear Gloria and Beth I am so sorry at times like these that I live so far away ... would like to be with you at this time Since that is impossible ... please know that I am with you in spirit I loved talking with Aunt Marie from time to time ... she was always in an up beat mood !!!! ... Loved her riding lawn mower and thanks to Larry who would help when she needed him I have such fond memories of her ... when Terrie had her wedding at Frames church she was there helping out I would see her every week when I dropped my laundry off for her to do and she did it so well !!! I loved her and I know she is in a better place now and with Merv whom she missed terribly ... she loved you girls and felt she could never do as much as she wanted to .. to help you out with all your medical concerns. Please feel free to phone me if I could share any more memories with you 602-466-2750 ... or 480-845-7378 I do remember the last time we spoke ... she wasn't her perky self and I was hoping to call again as I found a photo that I wanted to tell her about ... I'm not sure if it was on Grandma's porch but she was holding a baby Terri and I was sitting next to her I was so surprised I had it ... I know I will never forget Aunt Marie all my love to you both !!!! Reece
