“ Marilyn and I became good friends when she lived in Southington and remained close until her recent death. We traveled together, and shared many holidays with friends and her wonderful family. And of course we played abundant rounds of bridge together, a tad disappointed that Frank never learned the game. Marilyn was quite funny and quick witted; I will miss her. Much love extended to her dedicated family.

“ *What a dear and thoughtful person! Marilyn called and asked if I would please, by sending me a check, purchase food for 2 families through St. Vincent de Paul's Christmas Basket Program. She had her food delivered and could not personally buy the items at the grocery store. What a kind gesture for our clients; I will always remember that she cared to help those so unfortunate be able to enjoy a true Christmas dinner.  
God bless her and her family,
