I worked with Marge for years at IU. One of the sweetest people I have ever known. She and Dick were great people. Loved their kids and grandkids. Had a pretty smile. She will be missed.

“ *My Dearest Grammy,*

As your granddaughter, I had the privilege of witnessing your unwavering love and devotion. You showered me with affection, encouraging me to dream big and embrace the world with open arms. You instilled in me the importance of resilience and taught me that there is always hope, even in the face of life's greatest challenges. Your unwavering belief in my abilities will forever be etched in my heart, and I will carry your love with me always and forever.

While my heart aches with sorrow, I take comfort in knowing that you have found peace and are with Grampy. You have joined the angels above, watching over us, guiding us, and forever holding a special place in our hearts.

Thank you for gracing our lives with your love and light.

*I love you to the moon and back.
