“ Dear family of Marge Floyd,  
My family and I have been friends of Marge and Earl for many years. We were neighbor when I was a young man. We lived next door to them on Limestone Drive in the 1970's. Earl would talk to me about his Studebaker and Marge was always outside with "Prunella" her dog. I hadn't seen much of them since we moved away but still thought very often of them.  
My heart goes out to your family during this tough time.

Our family's regards, Bob LaGarde
