“ *I first met Nan while I was visiting my son and his then wife Rachel Crouch. Rachel was close to Nan and like Rachel is good at doing, she soon brought out two families together. Especially Derek and sweet Kellie. Over the years I was so impressed with Nan and her gentle ways. Then I saw her driving a huge truck like it was no big deal! She was just such a precious gift from God. I'm glad I got to know her and I will see always think fondly of her when I drive by her house.*  
*Love to you all.*

“ I am so sorry to hear that Marjorie Williams has passed from this earthly home. I pray for her children, grandchildren, great grandchildren, and all of the friends and people that she has touched in her 90 years of life! We all know that Marjorie is a direct admit into the gates of heaven and that she has earned her rightful place in the streets made of gold, for she shared everything she had with her family and so many others! Marjorie always made me feel so special when we met! She had that special grace that just blessed anyone lucky enough to be close to her!
