“ Marge Clayton was such a wonderful and lovely lady. We were friends from Tri Kappa and Theta activities and from 50 years of our Theta Antique Show. Marge and Bernie were such fun to be around. The Thetas always looked forward to Key Lime Pie! Wonderful memories of Marge abound!

“ A very good friend will be sorely missed. We loved her and will always cherish the times we spent with Marge and with Marge and Bernie. We will toast a glass of Champagne (as we did with them many times) and remember the privilege we experienced knowing Marge and Bernie.
