“ I was blessed to have worked with Marge at Kids' Club. I didn't work with her in the infant room on a daily basis. But when I did work in the infant room it was a fun day. Marge told me wonderful stories about her family. She asked me about my family. We shared recipes and laughter. She loved to make people smile and laugh when in her presence. When working with her you also watched her work her magic with the children. She was great with children. She loved to take care of them. They loved her as well. She is going to be missed by all who loved and knew her.

“ *"Miss Marge" was an extension of our family for several years when my children attended Kids' Club at the hospital. Jacob was entrusted to her at just six weeks of age and "Hootie", as they dubbed him, could not have been in better hands. I left him there every morning knowing that he was loved and cared for by a wonderful woman. May God bring your family peace and comfort.*

“ *Marge helped care for my grandson at Kid's Club. For a while, my office was also in the same building. Whenever I would see her, she would have a smile on her face and a comment to make. I enjoyed knowing Marge. I know she will be greatly missed!!!*

“ I had raised my first 3 children at home and had a hard time taking my last child to day care. But Marge was the "grandma" I felt comfortable taking care of my baby. She cared for so many Bloomington babies and kept nervous moms informed about their daily activities. She will be missed.

“ Richard and family...My thoughts and prayers are with each of you. I have so many fond memories of Marge with our card group from 29+ years. So often, too, I encountered Marge in 2 of our favorite restaurants (Bob Evans and Cracker Barrel) and enjoyed an exchange/update of what was happening with family and friends. I will miss all of that, but now we have comfort in knowing Marge is at peace. May God bless each of you in your time of sorrow.

“ Marge brought me such comfort in leaving my children in her presence. She loving cared for my girls and let me know that I could work and care for patients and that my girls would be taken care of as I would have done. I wish the family peace and know that she is with the man who made her an angel on earth. God Bless.
