“ *Carmen Brown.*
The first time I met Marjory, was wen she just move to Bedford, next to my house, I was walking, and I have my baby in the stroller, and she was in her door watching me, and she told me how I was doing. And she thought that I was the baby, sister and I say noo he is my baby. She loves to tell the story, she become my kids grand mom, she loves my boys and they love her and she always told me that I was her daughter, she was my angel, she always was there for me and my kids. I love her and I will miss her.

“ I met Mrs. Tillett back in 1995 when I moved to Charlotte Apartments and she and Mr. Tillett were the managers. We became close and she was like a second Mother to me. I will always have such fond memories of her in my heart. She was always sweet and kind to me. Prayers for all the family.
