“ Gibby,
Please accept my sincere sympathy in the loss of Mark. Throughout the years I have watched him fight for his precious life. I watched the thrill and excitement on his face when you brought him to the Building and Trades sponsored races although he could not see the cars. He was a little champ with a giant smile throughout his battles he faced in his short life here on earth with us. May God bless and comfort you through these tough days which lay ahead.

“ *Condolence from Larry and Ade,
The pain of losing a loved one can be overwhelming,
Our heavenly Father promises us that very soon he will 'swallow up
death forever, and wipe the tears from all faces' Isaiah 25:8.
What a wonderful future hope that is. There is much Bible based
comfort to be found on the website www.jw.org*

the last time we seen him he looked good but wasn't feeling very
well. I just wanted you to know we are thinking about you and Mike.
