“ I met Marsha & Christa when we became next door neighbors when Christa was just a baby. Marsha was such a great neighbor and we became great friend's. As Life happens and we moved on with our Lives we would sometimes cross paths again at local grocery stores and she would always smile and we would strike up conversations about the times we were neighbor's. She will be missed because both Marsha & Christa made this world a better place. R. I.H sweet Marsha.
