“ Ever since I heard of his passing I cannot get one memory out of my head. While renting from Steve and Cathy a neighbor accused our dog of biting him while Mike and Marshall were in the driveway. Marshall went off on him. He told him there is no way our dog bit him unless the man did something to him. Demanded to see the bite. The man refused. Long story short, Marshall had such a good heart which I know his friends and family know as well. Remember the special moments in your time of grief.
