“ We are so saddened by Sue's passing. In High School she was Susie. We had such great friendship. We were the 3 Musketeers. The 3rd one knows who she is. We had a little thing we did at Halloween. We toilet papered trees and shrubs or whatever looked like would be a good paper job what great fun. We know that she will be missed by so many. We know she will be in good hands and get to stay with Don. Rest in peace Susie We will miss you. Jerry and Sue (Power) Carey

“ *Jim and I regret not being in town for Sue's memorial, but want you to know that we are saddened in hearing of Sue's death. We are thankful to have known her and your father as we fondly remember their friendliness when we first came to First Presbyterian. Their genuine interest in others, their sense of humor and their outreach to our church family were blessings. We hope to take those blessings and become a blessing to others, in honor of your parents/grandparents.
In sympathy and in Christ's love,
Jim and Becky Rusie*

“ Dea and John,

I was so saddened to read of your Mom's death. I have so many wonderful memories of your Dad and Mom when they were a part of the IMU Family. In just about every instance, those memories were full of good times with a lot of laughter. A lot of those memories included stories about John and my son, Trey.

Your Mom was a very special person who gave of herself to help others. I particularly remember being with her when we went to Roy and Susan Lovell's home after learning of the death of their oldest son. The compassion and the soothing words of comfort from your Mom were so helpful as the Lovells dealt with the tragedy.

Please know that my thoughts and prayers are with you and your family as you move forward. Her hugs and laughter will be missed by all of us.

Sincerely,

Winston Shindell

“ *Sue encouraged me through a very dark time in my life. Her wisdom and wit made life's journey a joy. She was my confidant, my friend, but most of all a very cherished Aunt who will live in my heart until I too pass from this earth. I love you Sue, Jane*

“ I am so sorry to hear of Sue's passing. I was in graduate school in the late 1980's and worked in the Indiana Memorial Union. She was so fun and funny. In the years after I would see her regularly at ACUI Conferences and she would tell me every year that I still owed her a beer for some bet I lost (or something made up!) - we would laugh and laugh. She treated me with such respect, and as if I was the most important person she ever met, even when in graduate school. What a good soul, gone too soon, and much missed by many students who passed through IU over the years.

“ *Sue was the best walking friend anyone could ever have. We walked in all kinds of weather, laughing and talking the whole time – it was great mental as well as physical exercise. My last visit with Sue was exactly like that minus the walking. I loved her very much and will miss her every day. Marilyn Gregory*

“ You were my closest friend for almost thirty years. Your friendship meant the world to me. You went through many difficulties but yet you were the most positive person I knew. Our trip to Hawaii was the best. I'm so glad you were able to go with me. You were taken too soon and I'm sorry I didn't get to tell you how much you meant to me. I'm sure Don was very happy to see you and you were happy to see him too. I will miss you so very much.
