“ I am so sorry for the passing of your Mother or Grandmother. With the loss of my own Mom so fresh in my heart, I do know how you feel. It's so hard to let go, even when we know they are going to a better place. You should all have a heartfull of memories of her. Enough to keep her alive in your hearts forever. She was always there for all of you no matter what. I do remember the pride in your voices anytime you spoke of her. Now just do what she would want you to. Take care of each other and stay a family. My prayers are with each one of you.

“ To Martha's family,

I am saddened by the news of your mother's passing. She was a wonderful person and she will be dearly missed by myself and many others. She touched so many hearts by her sweet smile and generous heart. I will truly miss her and her smiling face. Rest in peace Martha, I'll miss you.
