PS

“ Sorry for the loss of your loved one. I worked with Martha for several years at RCA. She was not just a devoted employee, she was a good friend. We shared many laughs about the good times and shared some of our woes too. She shared her mushroom hunting stories when she would return to work after traveling to Michigan to hunt them. She loved her family and loved to share that too. When she retired I was her group leader and it saddened me to see her leave but I knew she would love her retirement. I pray that she has had an enjoyable life and I know she will live in your hearts forever. I pray that God will Bless and comfort each of you. A co-worker and friend. Pat Sharr
