“ *What a loss. Marty was one of my favorite people! We worked together at Creative Services for about five years--she was fabulous! She was so nice to my daughters whenever they would come to the office. I'll always remember her for that. She was one of a kind. I'm sorry for your loss.*

“ *I've had the pleasure of interacting with Marty here at IU for many many years. She was quite the charactor and you could always count on Marty to tell you the honest to god's truth. She shared many stories about work and family with me and I will miss our conversations very much. My deepest condolences to her family.*
