“ Dear Todd, Kelly and family - I am so sorry that your have lost your Father. You can be comforted to know that your Mother and Father are together now and with the Lord. Memories of the Fox family together when everyone was still with us are fond memories of Garry and Karen my children and myself. I will pray for you Todd and Kelly and please know the Lord is just a prayer away and will comfort you and help you through the coming days and forever. He is always there for you as he tells us in his word in Hebrews 13:5

“ Marty was such a good friend growing up together in Connersville. He was genuinely a "nice guy" and was well liked by all his classmates. I've often thought of him over the years and was glad to see he had such a wonderful family.

Sending you healing thoughts.

“ I don't know what to say. My heart is breaking, not only because of the loss of Marty, but for all those he left behind. I can't believe that my love/hate relationship partner is gone. Of course, Marty and I really did love each other. I am so happy that my last words to him were "I love you" when I spoke with him a couple weeks ago. Marty always said he wanted to go quickly and he got his wish. It is a comfort to know that he and Sandy are back together....the two Charlies/Charleys reunited again. I want you guys to stay close to one another. If you feel you can't stand the pain of loss another second, look up. God is there to comfort you and see you through. I love you each and every one. Though I can't be there physically, I am there with you in spirit. My thoughts and prayers are definitely with you.....
