“ *Jeri and Joyce,
We were so sorry to learn of your mother's passing. We hope you remember us as old neighbors on Knightridge when you were kids. I so appreciated your mom and felt comfortable that I could call on her if one of my kids got hurt or whatever. So many good memories! Old Skipper sneaked my birthday cake out of the car....we always knew where you kids were because old Skipper would let us know....Johnny pulled out the parakeet's tail feathers because it bit him....all of you kids playing in the septic tanks that your dad made...etc. Our love!!*
