“ I know there are no real words to offer as a satisfactory condolence when you lose a loved one. I think that of all things most dear and close to the heart would be the memories that all of us, myself included have because we knew Mary.

I enjoyed spending time with her, as she always made me feel welcome and as part of the family, from the very first day we met.

Mary came out to Annapolis several times to visit and each time she was there it was in excess of several months per visit. Of all the people that I have known in my own personal life, she never ever wore out her welcome. She was fun to be with, and a joy to call a friend.

You are all in my thoughts as you move forward with the time of healing, she will be missed and she was loved by many. Mary was very special lady.

*Sincerely,
Wendy Goldberg*

“ Dear Family,

As Woody's brother I knew Mary Jane very well and loved her as if she was my own sister.

She had a way of always making you feel welcome and could whip up a meal on a moments notice. I regret I did not get to talk with her more recently. I tried to call her cell a few times but never did reach her.

To all you children and grand children you have mine and Shirley's deepest condolences and we will keep you in our thoughts and prayers.

Shirley and I are in Venice, FL just now but our permanent home is in Westfield, IN (just north of Indy).

Our phone no. there is 317-867-0284 and my cell is 317-431-7898. email is carlpitt@aol.com. Any of you that would care to please send me an email and we can get re-acquainted or perhaps acquainted for the first time.

I did talk with Jeri this morning as she and her husband were on the way to the service. If I had been in Indianapolis, I would for sure have been there.

Best wishes to all and remember Mary Jane was a great lady and a mother and grandmother to be proud of in all ways.

Sincerely, Carl and Shirley Pittman
