“ Mary & Dave were 2 of the most inspiring people I have ever known. Mary knew my grandparents & grew up around the area my dad was born so she would share stories of people we both knew from years ago.I worked with Dave & knew him to be a kind level headed man with a very giving heart.An example of this was around Christmas the year preceding his death He came to Martinsville because I had told him I was playing Santa @ Rural King to raise money for our active duty Marines. Dave was having a real bad day that day but he was determined to see me that day. He put a large amount of money into our fund & then left because I could tell he felt terrible....My Granddaughter was helping with the fundraiser & he really made a wonderful impression on her. I miss Dave alot we shared so much through the years & He taught me many life's lessons as well as tons of knowledge about our jobs.....The 1st time I ever saw Mary she was on stage singing @ the legion. She had a beautiful voice & Dave was her biggest fan.....If you didn't know they were married you would have thought Dave was some kind of gruppie..... Kathy & Brian I know your lives have centered around you parents for a long time & you both but especially Kathy have been unbelievable in your dedication to your folks.....Sorry I couldn't make it to the eulogy of life but my heart was with you both. I really liked your folks & in my lifetime I haven't met but a few couples that I had so much respect & love for.....
