“ My grandma was one of the most important people in my life. I remember as a baby when she would rock me and sing me the mouse went up the clock. I really miss her. Love her so so much. She was a great grandma and still is. Sincerely, her Grandchild Aila Scott Randall.

“ I worked with Mary at the Campus Children's center back in the 1980"s. She was a wonderful teacher and co worker. I would often see you on the Clear Creek trail more recently when she was walking with friends. I know she cared deeply about her family: children and grandchildren.

Mary was a lovely person. We shared so many good times at Clear Creek school. She taught my children, we served on the PTO together, we were friends. I am so sorry for your loss.

Abby and I wish to thank all of you for sharing your memories with us of Mary and also for the gorgeous floral arrangements. I could just see Mary getting her camera out to capture the beauty. Abby and her Mom.

Thank you Glenda and Jerah for the very expressive words. They are very touching to my heart. Know that she loved Aden as well. The boys are grieving so much and their lives will never be the same.

*I was so sad to hear about Mary only last night. I will always remember our times shared in Bloomington in the 80's with our close group of friends. I loved keeping in touch with Mary through the years and her visits to Connecticut. Whenever we were together again it was always like there was never a gap in time. Mary was so loving and caring! I am only comforted by the fact that I will see her again in Heaven where I am sure she is now reminiscing with old friends who also passed on too early. I am so sorry for the family's loss. She always spoke so sweetly of her Mom (&Dad), siblings and especially her children and grandchildren. The world lost a very special lady.
Love you Mary, Candee*

“ *Mary had such a spirit of caring for children and for those she worked with. I student taught and then taught with Mary, at Clear Creek. She was a kind friend and a curious learner. My deepest sympathies to her family. May you find comfort in memories and the kind words of others. Each time I see a daffodil bloom and snow come thereafter, I will always remember Mary. Comfort and love to you,*

“ Mary was my kindergarten teacher in 1989. I will treasure her memory always. She had a wonderful, kind, and unique spirit. I was also lucky enough to attend one of her summer camps. I remember making paper, and taking pictures of nature. My thoughts are with her family. Praying for peace for all who had the good fortune of knowing Mary Pietsch!

“ Mary was a great thinker. She was excited by innovations for the classroom that worked and she was brimming with compassion for her students, coworkers, friends and family. The world is a little less bright with her loss. My condolences to her loved ones.
