“ My deepest sympathies to Vartan, Kaya & family.

I have such fond memories of Mary as far back as I can remember. We loved when my Mom's "American cousins" came to visit. Those times were full of fun, laughter, & delightful family stories. I will always remember her beautiful smile & how she lit up the room when she entered.

I have the incredible Towriss family history book that Mary put together from tracing our family roots & digging up interesting information... finished long before ancestry.com got into the business.

May your own memories comfort you now & forever.
