

Mary F. Terrell

December 7, 1941 - June 20, 2026

Mary Frances Terrell (Simison), age 84, passed away comfortably and peacefully on Saturday, June 20, 2026 with Southern Care Hospice in Bloomington, Indiana. She was born on December 7, 1941 to parents Albert and Lola Simison. She grew up in Vincennes, Indiana along with her two siblings, Loretta Garrison and Norman Simison. Mary married her husband, James "Jim" Terrell on January 14, 1960 in Spencer, Indiana. Together, they built a lifelong home in the backcountry of Spencer where they raised their three children: Anna Antilla, Scott Terrell, and Tina Tucker. She was devotedly married to her husband for 60 years until his passing in 2020.

Mary loved crocheting, cooking large country meals for her family, and traveling out west with her husband. She was known as a sassy competitor at euchre and horseshoes, as well as a lover of all things "Gone With the Wind." She took her social nature and love for cooking to local communities throughout her life, serving children in Owen County schools and seniors at Area 10 Agency. Though she loved the quietness and slow pace of the country, Mary was an energetic spitfire and social butterfly within her small circles.

The family would like to extend a special thanks to those who cared for Mary, from Southern Care Hospice.

Mary is survived by her three children as well as her grandchild, Sunshine Meyers. Though Mary's humor and candor is missed by many, she is sweetly relieved to join her soulmate once again in the Home Beyond. May we all honor Mary each time we make and serve a comforting meal to someone we love.
