“ Hey Jon, Sorry to hear about the loss of your Mother! I remember your Mother when she use to work at Hay's She was always nice and was a hard worker. I lost my Mother 2 years ago and they are special to us. I wouldn't be the person I am today if not for my Mothers switch. God has special places for Mothers and we will see them again someday. “ I remember Janis from school and then through the years at Hayes Market. In fact, the last time I saw her was during the last days before the market closed. She always spoke and acknowledged that she remembered me from school even though we were never friends.

*I am so sorry that you have lost a cherished family member and I am saddened by her passing. It's a very wonderful thing to be able to send condolences to someone in this fashion (internet). I hope it lets you know that other people cared enough to tell you and bring you added comfort.*
