“ Gary and Dianne, I want you to know how very sorry I am for the loss of your son, Matt. Gary, I have known you and your family for a long time and I know how very much you and Dianne have given to your family. God will always be with you and He will comfort you during this time.

Psalms 23:4 Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me thy rod and thy staff they comfort me.

God bless you and your family.

“ Gary, Dianne, Dawn & Jay - I love you guys and it breaks my heart to know the pain you feel at the loss of your beloved son & brother. Jesus said: "Do not let your hearts be troubled. Trust in God; trust also in me. In my Father's house are many rooms; if it were not so, I would have told you. I am going there to prepare a place for you. And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am." These words are true and I hope they bring you comfort, peace and strength at this most difficult time.

“ Dear Gary and Diane: I was shocked and saddened to read of Matt's death in the Sunday paper. He and I shared many good times together, as well as bad. I always felt close to Matt, and I will forever be grateful for the love he gave Ericka - the most precious gift of all. My heart breaks for you and the rest of your family. Matt was a good, kind hearted person with a great sense of humor. And what beautiful blonde hair!

*My sincerest sympathies,

“ Gary and Dianne:
I was so sad when Gary called me Friday with the news of Matt's death. I know he loved you both so much and appreciated your life-long support and love to him through every circumstance. This is one of the most difficult moments a parent could possibly face and my heart aches for you both. I am so very sorry. Angela
