“ I am so sorry to hear she passed. She was like family to me, just as the rest of you were and still are. Growing up her and uncle Slim both were such big influences to me and taught me so much, and honestly she was and still will continue to be someone so special that I will hold close to my heart for the rest of my life.

*I wish I could have came up to pay my respect to a woman who truly deserved it. I pray all of you smile and remember all of the wonderful times she gave everyone. She truly was a wonderful person with a big heart that will always be carried with us.*

*I love you guys, and I send good thoughts from not only myself, but my family as well.*
