“ I was very sorry to read about Merle's death in the Jeffersonian yesterday. I remember Merle as a very kind and gentle soul. I seldom saw him without a smile on his face even though he endured more than his share of tragedy in life. You all moved away when I was very young but I was always impressed that you kept the friendships going by visiting us each summer. Mom passed at the age of 80 also and I still miss her dearly even though she has been gone nearly six years now. I hope that Merle did not suffer long. This will be a difficult time for all of you, especially you Georgianna. My prayers and thoughts are with you all. Take comfort in knowing that he is in a better place...surrounded by love and friendship. Your friend, Jerry Kackley
