“ On behalf of myself and my yoga students, I send condolences to the Gentile family. Mike started attending my classes at Enlighten Wellness around 2018 and then was a faithful attendee when we moved to Zoom in 2020. We enjoyed Mike's presence, kindness and humor. I had been in touch with Mike in January and he was optimistic about returning to class soon. I had no idea of the seriousness of his health problem. He was a cherished member of the yoga community and will be missed. Allana Radecki

“ I met Mike around 1969 or 1970. we both attended the Indiana Institute of Technology. we next crossed paths when i transferred from working for the Navy in Washington DC and arrived in Crane Indiana in 1972. we now worked together at the NWSC Crane for the next 30-some years. i retired from Crane in 2007 after being there for 35 years. Mike retired a few years before me. i had many a dinner with Mike and Donna in Bloomington. about 8 months ago Mike informed me of Donna's passing,i was in shock although she was not in the best of health.i asked Mike if he would like to join me in Maui for 2 weeks hoping to ease his pain but he declined citing health issues i never knew it was that serious. .so now Mike and Donna are again joined in eternal bliss forever. Mike was a great guy, funny, smart, and a good friend. Mike's nickname for me was "CRAZY JOHN" Maybe if you know me you will understand. rest in peace MIKE john galvin
