“ As Mike's stepdaughter, we butted heads often but I will never forget all the great times fishing with Mike! He was always willing to take me and my friends along fishing and we have many memories from those days. I could also give credit to Mike for teaching me to drive the interstate (especially when the Speedway/Clermont exit used to be so scary). Most of all, I thank Mike and Donna for my brothers Isaac and Keith!

This is David Livingston...I was thinking about Mike just a week ago and looked him up on-line. To my shock, I found his obituary. My love, prayers and condolences to all of Mike's family. I believe my dad, Dean Livingston, coached Mike in Little League there in Ellettsville. When my mom, brothers and I moved back to Ellettsville from Seymour after dad died, I played with Mike on Edgewood's varsity baseball team his Senior year. I remember he and I would warm up together playing catch and I would occasionally warm him up if he was pitching. Quite a few of the other guys didn't like to warm up with him because they said he threw so hard it hurt their hands. Fond memories of a former teammate. God Bless you all. I know he is missed.

“ *There are a lot of Mike's old pals from Butler University who are thinking of him right now. Mike was a guy who had a lot of fun and managed to balance living in a fraternity, playing varsity baseball, working at the Cork 'n Cleaver, AND graduating on time!*

Best wishes to Mike's family and friends from his Phi Delta Theta brothers.
