“ I guess the family friendship began at Batchelor junior high. Hilary and Mike became friends then and we watched them both grow up together thru college years. Mike liked the music by Meatloaf and Train if I remember correctly. Mike and friends always came to Hilary's parties at the barn on The Farm. Lee and I loved seeing the kids altogether and the fun they would have just playing basketball. Mike was on the State Football team for South. Lee and I always enjoyed talking to Mike as he was never shy with adults. He always has something interesting and funny to share with us. Mike was a sweet and gentle soul. In so many ways, the world will must less bright without him. Our hearts and prayers go out to his parents and siblings, because I know their hearts are breaking at this time. Please know that he was loved and will be sadly missed by so many people. Thank you Katie for sharing your pictures on Facebook of Mike and friends. Sandy and Lee Keen

“ I remember the days at Bloomington country club with Burk...Boit man, Moit man, and Owy were what we called each other then. I moved away and then we reconnected at Ball State! Loved your smile, you always made me laugh! Rest easy my friend!

“ I was deeply saddened to hear of Mike's passing. I met him when we worked at the Ford store in Mooresville. He was a true delight and the world is a dimmer place with out him. To Bob-o, Stevie and Matt, k oz that my prayers are with you and the rest of the family. God bless you all.

“ I hadn't seen Mike since high school and then a few years ago we ran into each other at a restaurant on Indy's west side. After the initial awkward, I know this guy who is he looks, we figured it out. He was working for one of the car dealers at the time. We had a nice chat and found out we were both at Ball State together too. We weren't close friends but Mike was always nice to me and seemed to always have a smile on his face. A good man gone too soon. RIP buddy.

“ Mike was always trying to make you laugh and put a smile on your face. From the time I met Mike playing Football at South to the years after. It had been far to long since I had seen my friend. I will miss you Mike. These photos are from Anthony Hickmans Bachelor Party night back in 2009. RIP my friend.
