“ *To the family of Michael; I knew Michael through my contact with him during his stay at the Monroe County Jail. It is with deep regret that I heard of his passing. My heart goes out to you al. Michael always showed me respect and was always talking about his family. He had a desire to do right by all of you. May God keep you and comfort you in this time of great loss.*

“ Cannot begin to tell you how saddened my family is at the loss of Michael. There was never a time that I saw him over the years that he was not kind and respectful when we met. Taryn, especially has some wonderful memories to hold onto. He was special in so many ways and I know will be greatly missed by those who knew him best. May God's grace be with you all through this journey. Much love, tears, and prayers, Greg, Bindy, Taryn, Braden Thacker

“ To the Ray and Davis families: I am so sorry to hear of Michael's passing. I had him years ago in class...4th grade, as I recall. He is one who remains clear in my memory as being so energetic and fun-loving. I pray that God's grace and your many precious memories of him give you comfort in the coming difficult times.
