

Michael David Smith

August 30, 1955 - February 14, 2026

Michael David Smith, age 70, passed away at St. Vincent Hospital in Indianapolis, IN on February 14, 2026. He was born in Bloomington, IN on August 30, 1955, to Opal Smith. Michael finished high school and attended college; he also joined the Air Force and proudly served our country. He worked at Stone Belt helping people with special needs. He also worked security at different places.

Michael is survived by his beloved daughter, Mariah Savell; former wife, MeLisa Smith; and grandchildren Vinn Asia Savell and Zamora Bradford. Michael was preceded in death by his mother, Opal Smith.

Michael was an amazing person, always helping someone in need. He would give the shirt off his back. Reading everyone's comments and hearing all the stories and conversations about how great of a guy he was, speaks for itself. He always checked on everyone and always kept people in his prayers. His most prized possessions were his daughter and two grandkids; they meant the world to him, and everyone knew that. He was the type of person to know something about every place and know someone everywhere he went. He had too much love to give; perhaps that is why he passed on Valentine's Day.

No services are scheduled at this time. Allen Funeral Home has been entrusted with the arrangements.

“ Smitty was amazing person. Would go out of his way to say hi or swap stories. I had the privilege to work along side him doing security work. Between the two of us we would exchange WTFs to one another and then chuckle. Smitty ADORED his grandchildren. His face would light up when speaking about Peapie. Thoughts, prayers, and strength to his family and friends...

“ I met David when we were enrolling for first grade at Washington Consolidated School. He was a live wire! Fast and funny. His poor mama couldn't keep up with him 😭 But she loved him dearly as mama's do, and he loved her. That's for sure. I know he always missed her so much after she passed. We went through school together and were friends. We had a pretty close neighborhood. He was long time friends with my brother and spent a lot of time at our house especially in summer. But as lives go in different directions I had not seen David for many years. Only kept in touch through FB in past few years. He loved his family. He was a good friend to his friends. I can still hear his laughter from childhood days, I pray he is resting in Heavens peace. ❤️🌸✝️
