“ Mike, my brother I am absolutely in shock that you have left us so soon. Although I hadn't seen you for some time I thought about you when I would drive by your home. Tammy we met a few times and my heart breaks for you. I know you always had Mike's best interests in mind. Mike is in a better place now free of all of our human demons. I remember giving Mike his first construction job, it makes me smile. I am very thankful that I got to know Mike. Ralph I have you in my prayers. Don't know what else I can say. Godspeed my friend
