“ Mike was head Usher Captain at First United. His warm, quietly genial presence was a vital – and irreplaceable – part of our Sunday morning worship. Mike was one of the finest, nicest, sweetest people I've ever known. I will miss him greatly, and will always treasure his memory.

“ We were saddened to learn of Mike's passing. He will certainly be missed by all of us at First United Church. He was a good and faithful servant. He dedicated himself to many areas of service, but especially to our church's community service activities by serving in recent years on our Board of Outreach. He organized the annual Crop Walk the past few years, and often helped schedule ushers for Sunday morning services. We both enjoyed working with Mike, and will miss him.
