“Hearing that Mick is gone made me so sad. I'm sending lots of strength and love to the family. We were friends for a long time and I've always appreciated his dry wit. I'm been remiss in keeping in contact and had just been thinking it was time to check in.

“I am so sorry to hear about Mickey's passing. I had been trying to reach him regarding our upcoming 40th High School Reunion. I just recently found out that he was in Hospice Care. So many classmates were looking forward to seeing him. I did not have a lot of interaction with Mickey, but we did have a few classes together. Whenever I remember him, he is sitting at his desk slouched down, with a grin on his face! Not a huge teeth-baring smile, but a grin, almost like a cat that ate the canary grin! Like "I am cool, all is good". It is a very calming, happy image, and it will be the image I always have when I remember him with fondness. My thoughts and prayers are with his family at this time.
