“ I absolutely loved Minnie! I worked with her at the Halls of Residence during high school and college. She and Giulia were there for all my high school drama, marriage and college graduation. She was a fabulous person and I feel so blessed that our paths crossed. I know she will be missed by her family.

“ I was truly saddened to read this in the paper, but heartened, because Minnie has such a kind smile on her sweet face. I worked at IU in MRC (Collins) dining hall with Minnie. My most endearing memory is when she would come into the dining hall during a meal and shout, "Is everybody happy?!" and she would beam with pride when everyone shouted back, "YES!" She'd do a little clap, smile, then go on about her work.

Some college friends and I were just reminiscing about her last weekend. She will live on in the memories of hundreds (if not thousands) of students for her joyful spirit.

“ I was so sorry to hear of Minnie's passing. Minnie was a day-brightener back when I was an undergrad at Indiana University (1979-1981). She worked in the kitchen of MRC-LLC (now known as Collins Living Learning Center). Minnie would say, "Is everybody happy?" and we'd all cheer. Everyone knew Minnie!

Thank you for sharing her. She was one of my best memories.

“ Jenny and Family,

I am so sorry to hear of the loss of Minnie. She's been on my mind alot lately and I was so sad when I heard the news. I enjoyed getting to know her and Roger and taking care of them when they were at Garden Villa. I also want to let you know that you took very good care of them and I know how much they loved you, and how much you loved them. I am here for you if you need anything at all. May God bless you all during this difficult time and always and you are in my prayers. Take care. Stay in touch.

With Deepest Sympathy,
