“ *Miriam was my friend and neighbor in Blue Ridge, and we even served together on the Neighborhood Board of Directors for awhile. We shared a love for cats, and I did my best to help her with periodic computer problems. I speak German and a modicum of Yiddish, so we had interesting discussions about both the 20th the 21st centuries. I will miss our sometimes spirited but always friendly talks.*

“ Miriam was a delight to know and had a sensitive yet mischievous personality. She was very engaging in conversations always interested in different points of view and such a wit. Blessings to her family.

“ I so cherished Miriam and loved spending with her. I marveled and enjoyed her witty and perceptive personality as she struggled to adjust to the many hard challenges of aging. I loved her deeply and I am so grateful to have been one of her friends. I am trusting she is rejoicing in the Mighty One of Israel's love and all the eternal blessings that He has prepared for her.
My husband Greg and I send our loving condolences to all of her family.
