“ *Brenda, Brian and family;*

*My sincere condolences for the passing of your mother, Myrna. She loved and enjoyed her family so and I know will be missed each day by all of you. She was a client, and friend for years and I remember her being very much like my mother: fiercely independent, loving and wise. She did things "her way" and though she was a large and important part of your family, seemed very comfortable doing her own thing. She had a lot of spunk. Our prayers and thoughts are with you and your family.*
