“ I grew up across the street from Dean's family. He was a kind man and a good neighbor. I remember he would often let use his basketball hoop to give us a place to play. Very patient man, as I know the constant sound of basketballs bouncing had to be a bit annoying. My condolences to his family.

“ I have life long memories of the Moulden family. Dean and Susie were friends of my parents from their high school years. It was a pleasure to see them around town throughout the last 50 years at ball games, concerts and restaurants. Dean will certainly be missed but remembered with respect and admiration. Much love to Sue, Lou Ann and Jeff.
