“ *Kim and Mike, I know this is a difficult time for you. I know you will miss your Mom and I will miss her too. But I have to remember that even though there is great pain in our hearts at this time, Nan, your Mom is no longer suffering. She has now joined God and Our Family who have been gone a while were waiting to greet her with lots of hugs and kisses. I love you both. And I love and will miss you Nan.*

“ *Mike - You have our prayers and sympathy during this difficult time in your life. No matter how old we are, it is so hard for us when we lose one of our parents. Just be assured your mother is resting peacefully now and really enjoying her new life. Please send my condolences to your sister and her family too. Just thinking about you.*
