“ Oh Mamaw so many memories and let's start with Winnie the Pooh not once but twice Mamaw the first day I met you smh!! I'm gonna have to say my personal favorite memory was our trip to the zoo!! You was not so happy cause you truly thought you had a doctor's appointment until we pulled in...even though or took you a min to see the BIG OLD ZOO SIGN!! You screeched like a school girl you were so excited we got the all included tickets and electronic wheelchairs. We were there open to close and you didn't want to leave and I was dog tired!! I love and miss you so much!! I know you are always with us and that is my comfort as is the Star's to the Sky!!
