“ Nancy Hacker was the sweetest and most kind person that I have ever met. She was always cheerful around holidays and when she had her grandchildren over to visit. She loved the holidays and loved to spend time with the family. I remember during Christmas time she was always wearing something with a snowman or Santa or anything that related to Christmas. Her earrings would even have something to do with Christmas. I remember that she would go into the kitchen and she would make food for the holidays and she would always laugh and make jokes as she was doing so. She was such a good woman. She was the sweetest to her grand kids, kids, nephew, nieces, sisters, and husband. I can't believe she is gone. I will miss her so much. I love ya mamaw. fly high.

“ Allen and family, I am so sorry for the loss of your beloved wife and mother of your children. Nancy was the most kindest person I ever met. She always had a smile, was happy and you could tell she enjoyed her life. No matter how busy or where I would see the two of you, she always took time to chat and pass on so many kind words.

Nancy you will sadly be missed by all.
