“ *My mother was one of the most loving and selfless people I have ever met and she definitely didn't skimp on the love she had for my brother and I. There was never a day even on the worst of days when we weren't getting along she still made it a point to make sure we knew that she loved us and that she would move mountains for us. I can't believe she is really gone, I miss her so much that I can't stand it but I know that she is watching over us and guiding us and no doubt she left us knowing she loved us and we will continue to feel her love undoubtedly! I love you momma, fly high my beautiful angel 🙏*
