“ *Just wanted to express our condolences to the family. What a sweet, kind-hearted, loving, Godly woman! I have wonderful memories of going to Great Aunt Naomi and Uncle Walder's house at Easter time when we were kids growing up. It was so fun hunting eggs in their yard and racing sticks and blades of grass in the stream behind the house. In the evenings we'd play dominos around the table. It's such a blessing mom was close to her cousins and we got to do this for many years. We are thinking of all of you now and the legacy Aunt Naomi leaves behind in her children and grandchildren. She will be remembered and loved! God's peace be with you all.*
