“ Here's my favorite memory of Neva. It was wet, stormy morning, and by the time I reached the alumni office after a long slog from a distant parking lot, I was soaked. As I shook out my umbrella, I grumbled, "What a miserable day!" Neva looked up and said, "This is the day that the Lord has made. Let us rejoice and be glad in it." Suddenly the day didn't look so gray after all. Neva was a lovely woman and I feel honored to have known her. Respectfully,
